Township Road Construction Updates & Reminders

Yankee Road Project: Yankee Road will close between Dutchland Parkway and Maple Creek Drive beginning Monday, March 26 as the final construction phase of the Yankee Road widening gets underway. Yankee Road will close to thru and commuter traffic but access will be maintained for local residents and businesses. Wilhelmina Drive will be closed at Yankee Road necessitating that residents of Dutchland Woods and adjoining subdivisions enter and exit via Dutchland Parkway or Maple Creek Drive. Additionally, the north access drive to the Lakota Family YMCA will be closed. YMCA access off of Yankee Road will be via the south drive only. **Yankee Road detour for thru and commuter traffic:**

Northbound Yankee Road traffic will detour north on Cincinnati Dayton Road and west on Princeton

Road to Yankee. Southbound will reverse this route.

Ohio 747 Widening Project: Reminder that the Ohio 747 Widening Project is still on-going with anticipated completion by mid-September. This major safety project will widen the heavily traveled two-lane stretch of road to five lanes - two northbound, two southbound, and a center turn lane - from Princeton Road to Millikin Road.

Annual Paving: Each year Liberty Township works with the Butler County Engineer's Office to complete paving, black mat slurry, and retracing work around the Township. View the [streets](#) that are scheduled for work in 2018.
