Goller Promoted to Career Firefighter/Paramedic

In January, Liberty Township announced the promotion of **Ryan Goller** to the position of Career Firefighter/Paramedic within the Township's Fire Department. Goller had served the Liberty Township community in a part-time role since October 2007.

Goller comes from a family of firefighters. His father Tony retired as the Fire Chief of the West Chester Fire Department, and his brother Scott is a full-time

member of the City of Fairfield Fire Department.

"Ryan has been a great member of the Liberty Township Fire Department. I'm pleased to see him earn this promotion following our internal process. Given his family's background, I believe he's

excited to start in this full-time career position. He will serve our department and Township residents very well," said Chief Paul Stumpf, Liberty Township Fire Chief.

A 2004 Lakota East High School graduate, Goller began his Fire/EMS training in 2006. He continued his education at Cincinnati State where he was the Valedictorian of his Paramedic class. In addition to working for Liberty Township since 2007, Goller has worked for the City of Fairfield Fire Department since 2008 in a part-time capacity as well. He and his wife Stephanie live in Monroe with their daughter Makenzie, age 2.
