

Liberty Township Fire Department

Station Relocation Project
August 21, 2018

Station Location Comparison

Station 112 Average Responses

Day Time (7AM-9PM): 73% ~ 2.14 Runs per Day

Night Time (9PM-7AM): 27% ~ 0.81 Runs per Day

Station 112 Building Facts

- **Current Station 112**
 - **Built in 1974 to support volunteer fire department.**
 - **Addition added in 1999 to accommodate in-house part-time crew**
 - **Station was not built to house crews 24/7**
 - **Facilities are not capable of housing today's fire apparatus needs**
 - **Location does not allow sufficient coverage in the northern portion of Township**
 - **Location is close to our southern border, minimizing the coverage to our residents and businesses**

Embraced by nature. ♦ Inspired by progress.

Station 112 Building Facts

- **Proposed Station 112**
 - **New location allows us to better serve the northern portion of the Township**
 - **This improved coverage still allows us to maintain the excellent coverage we have in the southeastern portion of the Township**
 - **This station will house the same equipment the current location is operating**
 - **1 Fire Engine, 1 Paramedic Transport unit, and 1 Water Tanker**
 - **Buffering will be between the facility and adjacent properties**
 - **Reviewing intersection controls to allow a safer/smooth transition through the major intersections**

Embraced by nature. ♦ Inspired by progress.
