

## Monthly Township Update February 2021

### Liberty Live: Small Business Videos

On tap for 2021 is the launch of **Liberty Live** - a new video series focused on raising awareness of different aspects of the Township, as well as increasing engagement with our residents. We polled the community and many suggested featuring our small businesses in **Liberty Live** segments. We understand many Township businesses faced challenges over the past year, so we would love the opportunity to promote Liberty's strong small business community. If your business is interested in having a **Liberty Live** segment filmed, please contact [Christy Gloyd](#). Participating businesses will be asked to conduct an on-camera interview and allow the Township to capture 'behind-the-scenes' footage. **Liberty Live** segments will be posted on the Township's social media pages and website to provide another way to engage with our citizens. We look forward to hearing from you - thank you!

---

### News from the Fire Department

**New Career Firefighter/EMT Hires:** The Liberty Township Fire Department (LTFD) recently hired Cody Helmuth and Shawn Brown to the position of Career Firefighter/EMT within the department. Both firefighters had served the LTFD in a part-time capacity prior to their full-time hiring. Congratulations to Cody and Shawn!

**Eligibility List:** The LTFD is building an eligibility list through the National Testing Network for a future opening for a full-time firefighter/EMT. Interested applicants may find the information and requirements [here](#).

### Attention HOAs: Stay Connected with the Township

Liberty Township would like to remind you of some communication resources that may help you and your neighbors stay connected with the latest Township news and important dates.

- Be sure to follow us on [Facebook](#), [Nextdoor](#) and [Twitter](#).
  - Has there been a change in leadership within your HOA? Complete the HOA [contact update form](#) to ensure that the Township has the most recent contact information for your HOA.
  - Members of the Township team, including elected officials, are happy to attend HOA meetings (virtual or in-person) to help answer questions about the community and gather feedback from our residents. To request a member of our team to attend a meeting, please contact [Christy Gloyd](#). We look forward to opportunities to connect with our residents!
