Last month, the Township decided to change up the traditional Easter Egg Hunt and instead provide a more socially-distanced springtime activity for the community. Beginning March 22, families will be able to participate in the Liberty Township Egg Hunt, a fun collaborative effort between the Township and Liberty Center. Here's how to participate:

- Print off the [egg hunt worksheet](#) from the Township's website or pick it up at the Liberty Township Administration Building located at 5021 Winners Circle Drive.
- Visit 15 out of 25 participating Township businesses and match their "eggs" to the business name on the worksheet. Be sure to print out the [egg hunt map](#) to get an idea of the participating business locations.
- Drop off your completed worksheet at the Township Administration Building by 4:30 p.m. on April 22 and be entered to win one of four prize packs. One entry per family.

Watch the Township's website and social media pages for more information! The Township's events team is hopeful that we'll resume our regularly scheduled community events this summer!
