Message from the Butler County Sheriff's Office

The Butler County Sheriff's Office has seen an increase in stolen cars around our community and the County. As a reminder, please avoid leaving your car running unattended or leaving your keys in a vehicle, even when in your own driveway. As always, don't forget to lock any valuables in your car. Just be vigilant and aware and report suspicious activity in Liberty Township to the BCSO. Thank you!

Cincinnati Dayton Road Shared Use Path

Liberty Township and the Ohio Department of Transportation (ODOT) have proposed a project to construct an approximately 1/2-mile long shared use path on the west side of Cincinnati-Dayton Road between Hamilton-Mason Road and Yankee Road in Liberty Township. The project will include curb ramps and crosswalks across State Route (SR) 129 ramp intersections that are compliant with the American with Disabilities Act (ADA) standards. The project proposes significant safety improvements for pedestrians and cyclists by separating them from vehicle traffic and providing safer intersection crossings. Construction is expected in 2023.
