

Monthly Township Update November 2021

Light Up Liberty Township

Do you have a favorite holiday lights location in Liberty Township? Or does your house light up your street? Submit a brief video clip or share the street or neighborhood featuring your favorite holiday lights' displays in the Township to be featured in the 2021 Liberty Live Holiday Lights show. Send your submissions to [Christy Gloyd](#).

Liberty Township Leaf Collection Policy

As a reminder, there is no leaf collection policy in Liberty Township. Leaves raked onto the curb and not cleaned up can result in environmental problems such as clogged storm drains and drainage ditches. Please be responsible for the leaves that fall onto your property by mowing them or disposing of them in yard bags. Thank you for your assistance!

Public EV Charging Stations Now Available in the Township

Thanks to our partnership with Electrada and a State of Ohio grant they received, Liberty Township has two new electric charging stations in the community. Public EV charging stations are now available at Liberty Park off Yankee Road and the Township's Administration facility off SR 747.

Winter Weather Reminders

The Liberty Township Services Department is planning in making every effort to keep hazardous road conditions as safe as possible for the traveling public during times of snow and ice this winter. Check out this detailed information about the Township's [snow removal priority list](#) and other [winter weather tips](#).
