

Monthly Township Update October 2022

Halloween in Liberty Township - October 31

TRICK OR TREAT

in
Liberty Township

Trick-or-treat in Liberty Township will take place on **Monday, October 31 from 6 p.m.- 8 p.m.** Participation is an individual choice. As always, little ghosts and goblins are advised to take precautions while out trick-or-treating. Here are some helpful tips:

1. A responsible adult should accompany children at all times.
2. All costumes, wigs and accessories should be fire resistant.
3. At twilight and later in the evening, watch for children in dark clothing.
4. Avoid masks that can obstruct vision.
5. For motorists, watch for children walking on roadways, medians and curbs.

**Two Members of the Liberty Township Fire Department Aid
Hurricane Ian Efforts**

The Liberty Township Fire Department deployed two members to help support the State of Florida during and after Hurricane Ian. Both members deployed for two weeks and are returning home.

Jason Knollman (pictured top) deployed with Ohio Task Force 1 which assisted with search and rescue missions in the Lee County/Ft. Myers area. They searched thousands of structures and boats.

Marc Tschuor (pictured bottom) deployed with the State of Ohio-Butler County Incident Management Team (IMT). Their mission was to support the Florida Emergency Management teams. Marc's team, also stationed in Lee County, assisted with planning, logistics and distribution of supplies. Thank you to Jason and Marc, their teams and their families for supporting Lee County/Ft. Myers during such a trying time!

Natural Gas Aggregation Update: Winter months usage

Residents who turned off their natural gas service during the summer months are still able to opt-in to the Township's natural gas aggregation program. This can be done in one of two ways:

1. Visit [Energy Alliances](#) online, enter your address to verify that you are in the community boundaries and then enter your Duke Energy information.
2. Call Energy Alliances opt-in number at 888-794-5555.

In both cases, residents need to make sure that you have your natural gas 'Choice Service ID' that can be found on your Duke bill or by calling Duke. It is a 22-digit number in this format...XXXXXXXXXXXXZ000000000, where the first 12 digits are your Duke account number, followed by the letter Z and then nine digits that are unique to the natural gas service.

As always, residents may reach out to Energy Alliances directly at 513-794-5555 to help them navigate through the process.

IMPORTANT INFORMATION: NATURAL GAS AGGREGATION!

Paving in the Township

Did you know that Liberty Township streets are evaluated annually using an asphalt pavement rating form and a 0-10 scoring scale based on the pavement conditions? Or that there are two types of pavement preservation? Check out this helpful [Liberty Live video](#) to learn more about paving in Liberty Township.

New Traffic Signal Installed on Liberty Way

The Butler County Engineer's Office reports that a new traffic signal has been installed and is in active "Stop and Go" operation at the Liberty Way and Veterans Boulevard intersection. The signal is in preparation for the upcoming completion of the State Route 129/Liberty Interchange/I-75 and Veterans Boulevard extension projects to accommodate traffic through the new development at Freedom Pointe safely.
