### Community Recycling Stations - Important Reminder

As a reminder, Liberty Township provides two drop-off [recycling stations](#) for the community which are serviced by Rumpke. It's important that recycling is disposed of properly in order for this service to be continued. Do not leave bags outside the bins or other large trash items. These bins are for acceptable recyclable items only. A new bin style was installed a year ago to address trash contamination. It's the hope of Rumpke that providing for a smaller opening in the new bins will result in better, cleaner and less contaminated material. Please help us keep the drop-off locations clear of recycling waste and free of unwanted items. Thank you!
