

Monthly Township Update January 2023

Last call! Curbside Trash & Recycling Survey

Liberty Township is considering creating a consortium for curbside trash and recycling service community-wide in collaboration with West Chester Township. This move would result in primarily one provider for trash and recycling in the township and is expected to provide added service at reduced cost per property owner in both communities. Please complete this [survey](#) to provide feedback on this possible collaboration. This survey is

designed to gather feedback from Liberty Township residents only. For more background or to view the joint work session held with West Chester Township last week, click [here](#).

2023 Board of Trustees' Positions

The Liberty Township Board of Trustees held their annual organizational meeting on January 3. During the meeting, [Steve Schramm](#) was voted to serve as President for 2023 with [Todd Minniear](#) as Vice-President. [Tom Farrell](#) will serve as the Township's third Trustee. Township Trustee positions rotate each year.

2023 Township Event Dates & Sponsorship Opportunities

Liberty Township is happy to announce the dates for this year's community events! Stay tuned to the Township's website as more event details become available.

Is your business looking for a new way to engage with the community? If so, then become a Liberty Township event sponsor! As a Liberty Township event sponsor, your business will have the opportunity to engage and gain exposure with an audience within, as well as outside of the community. Learn more about Liberty Township event sponsorships [here](#).

Township Promotes Two within Services Department

The Liberty Township Board of Trustees have promoted two current service department employees to fill vacancies created as a result of 23-year veteran Assistant Services Director David Wagner retiring at the end of 2022. Gerald Sebald (pictured top), formerly the Services Foreman, has been promoted to Assistant Services Director and Walter Baker (pictured bottom) has been named the new Services Foreman. Rick Plummer continues to serve as Director of the Services Department, responsible for Township roads, parks and the cemetery. Wagner's retirement comes after dedicating 23 years to the Township Services Department. He admits the community has grown quite a bit during his 23 years of service. He's seen hundreds of lane miles added as the community has developed. Wagner has been an integral part of keeping up with the growth as it relates to servicing roads, our parks and Spring Hill cemetery. The Township appreciates his dedication and wishes him a happy and healthy retirement. Read complete press release [here](#).

Reach Out Lakota Can Creations Sculpture Contest

Hurry, there are only a few days left to register for the [Reach Out Lakota](#) Can Creations Sculpture Contest. You won't want to miss the chance to participate in this exciting new community competition where teams will design and build sculptures using canned food and pantry staples. These unique works of art can be on display at your organization, then donated to Reach Out Lakota after the event. Prizes will be awarded in multiple categories.
