

October 2024 Township Update

Halloween

Liberty Township

The spooky season is here! Trick-or-treat in Liberty Township is scheduled for Thursday, October 31 from 6 p.m. - 8 p.m. throughout the Township. Participation is an individual choice. Check out these tips to help make sure that your trick-or-treaters have a safe and enjoyable time!

- Wear bright, reflective costumes or add strips of reflective tape so you'll be more visible.
- Create a buddy system to get each other home safely and prevent walking alone.
- Follow the rules of the road and obey signs and signals.
- If possible, cross streets at crosswalks or intersections. Look for cars in all directions.
- Wear makeup and hats rather than costume masks that can obscure your vision.

Electric Aggregation Program Update

In the coming weeks, accounts participating in the electric aggregation program with Energy Harbor will receive notices regarding Dynegy's recent acquisition of Energy

Harbor. **No action is needed in response to this notice.** Participants will also receive a letter from your local utility notifying them of this change to Dynegy. Again, no action is needed when these notices arrive, assuming that participants wish to continue in the program. **The change in company WILL NOT impact the aggregation rate or term.** Learn more about energy aggregation in the Township [here](#).

Leaf Collection in the Township

As a reminder, there is no leaf collection policy in Liberty Township. Leaves raked onto the curb and not cleaned up can result in environmental problems such as clogged storm drains and drainage ditches. Please be responsible for the leaves that fall onto your property by mowing them or disposing of them in yard bags. Thank you for your assistance!
