

February 2025 Township Update

We need your feedback! As part of Liberty Township's initiative to enhance Wilhelmina Park, we have created this survey to gather valuable community input. Your opinions on Wilhelmina Park, its current usage, desired amenities and general feedback will help shape the park's future development. This survey aims to ensure that the voices of our residents are heard and incorporated into the Wilhelmina Master Park Plan. The survey will be available until February 28.
