Township Recycling Update

As a reminder, effective April 30, the community recycling bin locations in Liberty Township will be closed. We apologize for the inconvenience, but continued misuse has led to this decision. Weekly curbside recycling collection is available for \$6 per month. The Township is partnering with Rumpke and Butler County Recycling & Solid Waste District to offer the first three months of recycling service for free to new recycling customers. New Public Notice Requirements

Effective April 3, 2025, a new section has been added to the Township's [website](#) to feature public notices. Townships in the State of Ohio now have the ability to post public notices online and on social media as opposed to being required to publish them in the newspaper.
