6400 PRINCETON ROAD

LIBERTY TOWNSHIP NEWS

PRESERVING THE PAST,

PLANNING THE FUTURE

## ECONOMY MAY BE DOWN BUT... LIBERTY TOWNSHIP IS LOOKING UP

Although the economy is slower than we would like, Liberty Township continues moving quickly and progressively into the future while still being fiscally conservative:

### 1. RELOCATION OF FIRE STATION

# 111 – Construction began on the rebuilding of Fire Station # 111 on March 16, 2009. Please refer inside for more details on this significant expansion to the fire and emergency medical services provided to Liberty residents and businesses. Our Township residents are to thank for the opportunity to keep up with the demands and needs of a growing community by providing 24 hour, 365 day coverage with 27 full time firefighter/paramedics. It was the passage of the 2006 fire levy which provides funding for this project.

This project not only improves emergency response time, but it also will improve road maintenance abilities as it includes a new 2,500 square foot salt storage facility. This facility will allow the Township to store more salt and have more accessibility throughout the Township.

### 2. THE TOWNSHIP'S FACELIFT

– This month, Liberty Township embarked on a top 2009 priority for the Board of Trustees – the development of a new Township logo and brand. The Township has hired Margo Jacob Design to assist in its creation. Township Trustees, staff, and the Economic Development Committee (made up of Township residents and business owners) have worked closely with the consultant to identify the Township's target audiences, values, and community assets. This foundation will then be used to craft key messages and to develop a new graphic mark to be used in brochures, the website, and Township signage. Be on the look out for the Township's facelift in the next few months.

### 3. LANDSCAPING AND SIGNAGE

– With the beginning of spring comes the blooming of trees and flowers. Residents and businesses will be able to see more of these beautiful sights throughout the Township as it embarks on landscaping as part of the Township's 2009 branding initiatives. Along with the new logo, the Township is working to establish identity and recognition for those who reside here

as well as those traveling to or through the Township. This work furthers the goal of creating a sense of place for Township residents and businesses. The first phase of this multi-phased project will be at the intersections of Cincinnati-Dayton Road and State Route 129 as well as State Route 747 and State Route 129. You will be able to see a great variety of trees, shrubs, and perennials surrounding new gateway signs which will clearly designate and welcome people to Liberty Township. A key facet to this initiative was being awarded a \$25,000 grant from the Ohio Department of Transportation that covers the entire 2009 portion of the project.

### 4. COMMUNITY ACTIVITIES

– Even though we just held another successful Easter Egg Hunt with over 300 participants, we now begin looking to our next event – JULY 4<sup>TH</sup> FESTIVITES. Please mark your calendars for July 4, 2009 as the Township again will be offering the 5K Walk / Run at 8:30 a.m., a red-white-and-blue parade at 10:00 a.m., and the Independence Day festival at 11:00 a.m. All of these events take place at Liberty Park. Never hesitate to look at our website to catch up on all the details or contact Melanie Brokaw at 759-7500. Also, please refer inside to a faster and easier way to register for the 5K Walk / Run and to be a supporter of Liberty Township community events.

### 5. A SPECIAL THANK YOU

– On May 28, 2009, Liberty Township will be saying good-bye to a very special employee. Ellen Sando, Secretary / Receptionist

# ECONOMIC DEVELOPMENT ROUND-UP

Despite the current economic climate, Liberty Township continues to work hard at attracting new investment and welcoming new businesses to the area. We congratulate these companies and look forward to their contributions to our community.

**Deanie's Antiques & Collectibles** has opened on Cincinnati-Dayton Road next to Putter's Tavern & Grill. Hours will be limited to Sundays, Mondays, and Wednesdays; however appointments will be accepted as well. The new store will feature primitive antiques and collectibles that have been purchased and refinished. For more information, call 513-889-0050.

**EDGE Teen Center** has opened on Wyandot Road near the Lakota East campus. The mission of the teen center is "to empower students to impact the world." EDGE will go beyond providing students a safe place to hang out; it will show students the important place they can have in the community and the role they can play to make their community better. The center is open to students in grades 9 – 12; you must have a valid high school ID. The EDGE Teen Center is open Monday through Thursday from 2:00 p.m.

to 6:00 p.m., Friday from 2:00 p.m. to 5:00 p.m. and 7:00 p.m. to Midnight, and Saturday 7:00 p.m. to Midnight. For more information, visit [www.edgeteencenter.com](http://www.edgeteencenter.com).

**Liberty Falls Retail & Professional Building** will become home to several new businesses over the next couple months. Businesses preparing to open in this new building next to the Mercy Building on

129. They are specialists in the care of children from birth through the college years. This is the third location for Suburban Pediatric Associates. The Township looks forward to welcoming additional tenants to the state-of-the-art Liberty Commons Medical Center in the year ahead. For more information, visit [www.suburbanpediatrics.org](http://www.suburbanpediatrics.org) or call 513-336-6700.

## FALSE ALARM REMINDER

**Please be aware that Liberty Township has a false alarm policy, which is based on Ohio Revised Code § 505.511. Due to the increased number of false alarms that require the services of the Butler County Sheriff Department, the Trustees put this policy into place in an effort to minimize the amount of time and resources spent responding to false alarms. This policy is meant to address continual repeat offenders only and is not meant to deter businesses and residents from using alarms. The policy defines the following fines which may be assessed on residents or business owners who have a combined total of three false alarms in the same calendar year:**

- **4th false alarm: \$ 50**
- **5th false alarm: \$ 100**
- **For any false alarm after the 5th occurrence: \$ 150**

*- Kristen Bitonte, Finance Director*

**Tom's Superior Driving School** has relocated from West Chester to 7390 Liberty One Drive in Liberty Township. In business since 1986, the driving school has taught hundreds of local teenagers how to drive. The school offers classroom instruction along with one-on-one driving lessons. For more information, visit [www.toms-drivingschool.net](http://www.toms-drivingschool.net) or call 513-779-1040.

**Walgreens** has announced plans for a new store at Cincinnati-Dayton and Princeton Roads across the street from United Dairy Farmers and Delhi Flower & Garden Center. They hope to begin construction in the coming months.

*- Caroline McKinney  
Economic Development Director*

Cincinnati-Dayton Road include:

- **Blue Chip Cookie**
- **Bruno's Pizzeria**
- **Gran Fiesta Mexican Restaurant**
- **Penn Station.**

Other tenants are expected later this year.

**Pridestaff**, a full-service, staffing service firm, has opened a new office in the Liberty Commons Retail Center. Pridestaff will assist regional companies with temporary, temp-to-hire, and full-time staffing needs to provide innovative workforce solutions. The West Chester native and former P&G executive looks forward to introducing his new business to the community. For more information, visit [www.pridestaff.com](http://www.pridestaff.com) or call 513-847-4949.

**Suburban Pediatric Associates** has opened their 7,000 square foot pediatrics office in the Liberty Commons Medical Center on Yankee Road and State Route

# PLANNING AND ZONING NEWS

## Safe Routes to School

The sidewalk project along Dutchland Parkway between Dutchland Boulevard and Woodland Elementary School was recently bid. The winning bid was submitted by W.G. Stang LLC of Hamilton for just under \$38,000. This is well under the \$50,000 anticipated cost of the project. Construction is to begin May 4, 2009 and will be complete on or before May 22, 2009.

## Liberty Township Parks & Recreation Master Plan

The Liberty Township Parks and Recreation Master Plan, the product of 15 months work by a 24 member steering committee and Township staff, working with Brandstetter Carroll Inc, was passed by the Township Trustees at the April 7<sup>th</sup> meeting. With the growth that Liberty Township has been experiencing, preserving areas for parks and recreation has become vital to maintaining a quality of life in

the community. Another goal of this plan will be positioning the Township to provide a wider variety, and better quality of recreation opportunities to the growing populace.

Input during the planning process was gathered in three ways. First, through one-on-one interviews with representatives of local organizations and stakeholder groups involved in providing recreation opportunities to the Township. Next, a public workshop was held to gather ideas from residents. Finally, a mail and phone survey was sent to 2,000 residences to ensure input has been gathered from a range of age groups, and that all geographic

areas of the Township have been represented. The Township placed a heavy emphasis on public input in the course of developing this plan so that the end product will truly be responsive to the needs and desires of the community.

The draft plan was presented to the public during two public open house meetings held on February 18<sup>th</sup> and 26<sup>th</sup>. Following the open house meetings, on March 17<sup>th</sup>, Pat Hoagland of Brandstetter Carroll presented the contents of the plan to the Trustees at a public hearing.

## Downtown Bethany Area Plan

On March 26<sup>th</sup>, the first steering committee meeting was held to develop a revitalization plan for Downtown Bethany Cincinnati-Dayton Road from Liberty One Drive to Princeton Road, Bethany Road from Cin-Day to I-75). The purpose of the plan is to address impediments to redevelopment of the area, as well as to further refine the vision for that desired redevelopment. The steering committee has drafted their specific goals and objectives for the plan. The plan is expected to take five months to complete, working with a steering committee comprised of Bethany area residents, landowners, business owners, representative of the local churches and schools, county development officials, and members of the Township Zoning Commission. The next scheduled steering committee meeting is on April 16<sup>th</sup> at 7:00 p.m.

- Andrew Meyer, Senior Planner

## 2008 FINANCIALS

The Fiscal Office has prepared the 2008 Revenue & Expenditure Summary. Please check out the summaries on the Newsletter page of the Liberty Township website ([www.liberty-township.com](http://www.liberty-township.com)), or stop in at the Township Administration Building for a hard copy. Please contact either Fiscal Officer Pam Quinlisk or Finance Director Kristen Bitonte at (513) 759-7604 if you have any questions.

# INVASIVE PLANT SPECIES ALERT: GARLIC MUSTARD

## MUSTARD PULL: WETLANDS PARK

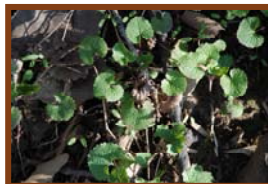

**MAY 23, 2009 AT 9:00 A.M.**

Volunteers Needed: Groups, organizations, families, and individuals. Young and old. Help us rid our parks of this unwanted visitor. You bring good work gloves; and we will supply the mustard!

For more information check the Parks page on the Township website ([www.liberty-township.com](http://www.liberty-township.com)).

Garlic mustard is a biennial (two-year life cycle), herbaceous plant that spreads rapidly by seed. One of the most invasive and difficult to control weeds of the woodlands

in our area; it is a major threat to our desirable native woodland wildflowers, tree seedlings, and wildlife. Garlic Mustard not only out-competes native plants by being one of the first plants to leaf out in the spring, but shades out competitors during the growing season and is an allelopathic plant (releases chemical inhibitors into the environment).

First Year Rosettes

Garlic Mustard, introduced from Europe, was once commonly grown in gardens where its flavorful leaves were cultivated for salads. The leaves, stems, and seedpods have a strong garlic taste. The seedpods can be split in half lengthwise to release

many tiny seeds, which can be used as a substitute for pepper.

Distinctive features:

- Crushed leaves have the odor of garlic;
- The only tall, broad leaved, 4-petaled, white woodland flower blooming in early spring;
- First-year basal rosettes remain green through fall and winter – they are one of the earliest plants to begin active green growth in spring; and
- Allelopathic in nature.

Second Year Bloom & Leaf

- Chuck Holliday, Parks Volunteer

# LIBERTY TOWNSHIP FIRE STATION # 111 GROUNDBREAKING ON MARCH 25, 2009

Liberty Township Trustees, Danis Building Construction, and Michael Schuster Associates celebrated a groundbreaking ceremony on March 25, 2009 for the Township's new Fire Station # 111. The new facility will fill a vital public services need for Liberty Township, one of the fastest-growing communities in the Greater Cincinnati area.

Liberty Township officials thank the partners who have helped us get to this point as well as look back and to the future during formal remarks at the Fire Station # 111 Groundbreaking on March 25, 2009.

Trustee Pat Hiltman, Trustee Dave Kern & Fire Chief Paul Stumpf

The 10,400-square foot pull-through firehouse and salt storage facility will be located on Princeton Glendale Road (State Route 747) between Kyles Station Road and Hamilton Middletown Road (State Route 4). It will replace the Township's original Fire Station # 1, which was built in 1954 to house the Township's volunteer fire department. The residential and commercial base in the northwest quadrant of the Township will be served by the new facility, which is expected to be completed by the end of the year.

"This is an exciting day for Liberty Township," said Christine Matacic, Vice President of the Liberty Township Board of Trustees. "The community has grown at such a fast pace – from 9,200 residents in 1990 to approximately 33,000 residents today. Relocating our original fire station and expanding its capabilities is important to serve our growing community, while adding a second salt storage facility will increase efficiencies for our Services Department."

According to Chris Hammond, project manager with Danis' Cincinnati office, the new station is approximately three times the size of the current facility and features a number of upgrades. In addition to several bays for emergency services vehicles, Fire Station # 111 will feature full living quarters and a workout room. Michael Schuster Associates designed the kitchen area and day room to resemble a large residential home in order to make the facility more comfortable for on-site staff.

Liberty Township officials, together with representatives from MSA and Danis Construction, break ground on Fire Station # 111 on March 25, 2009.

# FIRE DEPARTMENT FLASH

## Fire Department Receives New Apparatus

Liberty Township Fire Department recently took delivery of a 2009 1500 gallon per minute fire pumper. This fire engine was manufactured by the Sutphen Corporation; a family-owned fire apparatus manufacturer located in Amlin, Ohio (Northwest of Columbus) and took approximately ten (10) months to complete. Although the purchase price of this vehicle was \$387,000.00 the actual cost to the Township was less than \$20,000.00. This was due to the insurance settlement received for the 1988 truck that was involved in the rollover on icy roads in February 2008. After the radios are installed and hose, ladders, tools, misc. equipment etc. are mounted and the fire department personnel become thoroughly familiar with the operation and handling characteristics of the unit it will be stationed at Station # 112 (formerly Station #2) at 6957 Yankee Road. The 1994 pumper presently operating out of that station will assume a reserve

engine role. The availability of a reserve unit has been a goal of the Fire Department for some time. This will not only be an advantage when it comes to insurance ratings but can be placed in service to cover for one of the other three frontline pumping apparatus when they are offline for repairs or routine preventative maintenance. Another advantage of having a back up fire engine is that more extensive training evolutions can be undertaken without having to strip equipment off of a primary apparatus. The new apparatus is very similar to the 2007 engine stationed at the Maustown Station. These apparatuses feature increased on-board first responder medical equipment storage, an easily deployed portable monitor nozzle, an absorbent hopper to contain spills from auto accidents, and a slideout tray for safer rescue tool operation. The standardization of

apparatus not only increases efficiency by the staff that operates them but also has advantages in regards to stocking maintenance and repair parts.

## Fire Hydrant Flushing

The Liberty Township Fire Department will be flushing fire hydrants during the month of May. Residents should check their water before doing laundry as some discoloration may occur. If this occurs, allowing a faucet

to run for 5-10 minutes should alleviate the problem. The Fire Department has rust solvent available if laundry does become stained. Call the Liberty Township Fire Department at 513-759-7530, or Butler County Environmental Services Customer Services at 513-887-3066 for questions or additional information.

You may also visit our website at [www.liberty-township.com](http://www.liberty-township.com).

- Fire Chief Stumpf

**FIRE HYDRANT OBSTACLES**

**During our annual fire hydrant maintenance check we often encounter obstructions around the fire hydrant on or near your property. This may delay access and activation in the event of a fire in your or your neighbor's residence. In an emergency any delay in firefighting activities may result in loss of life or additional property damage. Any plantings or other obstacles also may prevent proper testing and maintenance during our annual checks. Please contact me if you have any questions.**

**- Chief Paul Stumpf  
(513) 759-7530**

## Check it Out!

\* New feature! \*

Each newsletter we are going to have a fun trivia question, with the answer located on the Newsletter page of the township website ([www.liberty-township.com](http://www.liberty-township.com)).

# THE WEST CHESTER CHAMBER ALLIANCE CELEBRATES DAVID & KATY KERN AT THE 2009 ANNUAL DINNER & AWARDS GALA

It was an evening packed full of fun and surprises on March 27<sup>th</sup> at the Cincinnati Marriott North. The West Chester Chamber Alliance held its 22<sup>nd</sup> Annual Dinner & Awards Gala where they honored 14 businesses and community leaders. One of the special moments of the evening was the naming of the Chamber's newest awards: The David & Katy Kern Beautification Awards.

West Chester Chamber Alliance President & CEO Joe Hinson recognized the Kerns and presented them with an award commemorating the naming of the new award category. The David and Katy Kern Beautification Awards were then presented to one small and one large company who have

shown excellence in their business' landscape design – interior and / or exterior plantings, street-scapes, signage, etc. Jag's Steak & Seafood and Four Bridges Country Club were the recipients of the first David & Katy Kern Beautification Awards.

David and Katy Kern are truly dedicated to the community and to giving back – the West Chester Chamber Alliance is proud to name the newest award category after them.

Other award recipients honored that evening were: Dean Miuccio, Rookie of the Year Award; Don Crain, GBI Community Support Award; Tazza Mia and Savannah Center, Larry Schumacher Beautification

Tom Farrell, Katy Kern, David Kern, Joe Hinson  
2009 Annual Dinner & Awards Gala  
March 27, 2009

Awards; Chris Worrell, Dorothy & Art Roth Citizen of the Year Award; Shelly O'Neill, Jerry Bryan Chamber Member of the Year Award; and Dr. Robert Sommers, Carlos Todd Businessperson of the Year Award. Three surprise awards were also given out that

evening: Craig Rambo received the Walter Epply Lifetime Member Award; Patti Alderson and Dave Gully were recipients of the President's Award.

- Joe Hinson  
President & CEO  
West Chester Chamber Alliance

## PARTNERS IN PRIME

Activities for 55+ Meals on Wheels Social Services Transportation

The 10<sup>th</sup> Annual Golf Tournament to benefit Partners in Prime, formerly Senior Citizens Inc., is set for Wednesday, June 10, 2009 at Beckett Ridge Country Club. Proceeds benefit the agency's meals on wheels, transportation, in-home services, and prime club services including prime club West Chester in Pisgah.

Presenting sponsor is intelligence support

advantage, and major sponsors include All-Dry, Barrington & Heritagespring, Butler Rural Electric Cooperative, Pepsi, and Schumacher Dugan.

This year, golfers will have the opportunity to participate in a putting contest against local golfer, Samantha Boyer, a well known golfer who is a high school senior.

For information on participation or sponsorship of this year's tournament, contact Christy Quincy, Director of Community Relations, at 867.1998 or email [cquincy@PartnersInPrime.org](mailto:cquincy@PartnersInPrime.org).

Six new Board members were presented to the Board of Directors in February.

New Board members include:

- Ben Kincer, Walmart Liberty Township
- Sonja Kranbuhl, US Bank
- Clark Medill, Attorney with Sams, Fischer, Packard & Schuessler
- Christy Miller, Owner of BCL
- Debra Rainer, Liz Claiborne
- Jim Sizemore, prime club member and retired Proctor & Gamble executive

For more information about the agency, visit [www.PartnersInPrime.org](http://www.PartnersInPrime.org).

- Christy Quincy  
Director of Community Relations

# THE COMMUNITY FOUNDATION OF WEST CHESTER / LIBERTY

# INFORMATION

Liberty Township is excited to announce that it has established a new charitable fund at The Community Foundation of West Chester / Liberty to support the Township's annual community events. The Liberty Township Charitable Fund is being established to provide an easier way for businesses and residents to financially support the community events that make Liberty Township such a great place for families. For anyone who has attended one of the Township's annual events, you know how important it is that Liberty Township offer such opportunities for families – young and old – to come together and celebrate the season. The goal is to increase attendance and offerings at Township events to better serve our residents.

Liberty Township hosts three annual events – the Easter Egg Hunt (the Saturday prior to Easter), the July 4<sup>th</sup> Festivities (including the 5K run, parade, and festival), and the Annual Fall Festival (the first Saturday in October). All events take place at Liberty Park behind the Lakota Family YMCA. All community members are invited to attend and there is no charge to participate in the events.

The new charitable fund will provide Liberty Township the opportunity to receive donations and sponsorships for these events via the Foundation's web site. In addition, the Township will be able to offer online

registrations for the 5K race on Saturday, July 4<sup>th</sup>. Interested people should visit the Liberty Township web site – [www.liberty-township.com](http://www.liberty-township.com) – to find a link to the online 5K registration.

Upcoming Liberty Township events include:

July 4<sup>th</sup> Festivities – Saturday, July 4, 2009

- 8:30 a.m. – 5K Race begins at Liberty Park
- 10:00 a.m. – Parade begins at Lakota East High School and ends at Liberty Park
- 11:00 a.m. – 3:00 p.m. – Festival takes place at Liberty Park

Fall Festival – Saturday, October 3, 2009

- 1:00 p.m. – 5:00 p.m. – Festival takes place at Liberty Park

To show your support of Liberty Township and the annual community events, consider making a gift to the Liberty Township Charitable Fund. Donations can be made via The Community Foundation of West Chester / Liberty's website [www.wclfoundation.com](http://www.wclfoundation.com) or by sending a check to The Community Foundation of West Chester / Liberty, Attn: Liberty Township Charitable Fund, 5641 Union Centre Drive, West Chester, OH 45069. **All gifts are tax-deductible to the fullest extent of the law.** Call the Foundation at 513-874-5450 for more details.

## LIBERTY TOWNSHIP IS LOOKING UP (CONT.)

(Continued from page 1)

since 2003, is retiring after nearly forty years of both private and public sector service. We are excited for Ellen to embark on a new phase of her life which will consist of more travel, relaxation, reading, and time with her seven grandchildren and husband Ron. However, we are sad to be losing such a valued asset to the organization and the community. The

Liberty Township Board of Trustees and staff wish to thank Ellen for all her years of exceptional service and wish her happiness and health in her new endeavors. Ellen, you will be missed!!

**\*\*\* If you have questions about any of the above listed updates or wish to receive additional information regarding a township event or project, please do not hesitate to contact our offices. \*\*\***
