

## Spring 2026 E-Newsletter

Winter weather is on its way out, making room for spring - just in time for the Fort Liberty Playland 2.0 Grand Opening & Community Celebration! Join us on Saturday, March 21 from 10 a.m. - 11:30 a.m. and be among the first to explore this newly reimagined, iconic playground. Help us welcome the season with a morning full of family fun and community pride! We'll also be capturing a special photo of community members of families who were part of the original build - don't miss it!

**If your family name was featured on a fence picket, please contact the Township's Public Works Department at 513-759-7585 to schedule pick up. Pickets will be available through April 10.**

## News from the Parks Department

On March 3, the Liberty Township Board of Trustees were proud to recognize longtime Parks Committee member **Dave Lintner** for receiving the prestigious John Aston Warder Award. Dave was honored at Taking Root's Great Tree Summit for his outstanding leadership and advocacy for tree growth and conservation in Liberty Township. Thank you Dave for your continued service to Liberty Township.

The Liberty Township Parks Committee would like to remind residents that Callery Pear trees are invasive, foul smelling and harmful to Ohio's suburban, urban and rural landscapes. Help reduce their spread through MetroParks of Butler County's Pearmageddon! Now through April 2, Butler County residents who remove a Callery Pear, invasive Burning Bush, or Japanese Barberry from their property can receive a FREE native plant from MetroParks. Pearmageddon is open only to Butler County residents while supplies last. Limit one plant or tree per household. [Click here](#) to learn more.
