2025 Year in Review

2025 was a year of remarkable growth and momentum for Liberty Township, marked by major investments, new destinations and continued confidence from businesses and institutions choosing to expand and locate in our community.

The year began on a strong note with the announcement that **Cincinnati Children's Hospital Liberty Campus** will undergo a significant expansion. The expansion will include: a four-story addition to the hospital adding four operating rooms; three surgical procedure rooms; 10 rooms for the ER Department; 72 patient beds for a total of 114 beds; and 100,000 SF of existing hospital space will be renovated. The project reinforces Liberty Township's role as a regional hub for high quality healthcare and medical services.

Additional medical investment followed as The Christ Hospital Medical Center - Liberty Township announced plans to complete the second floor of a new building that was part of a \$20 million, 17,800 SF expansion completed in September 2024.

On April 16, Liberty Township made history as **Wawa** opened its first-ever Ohio location off Cincinnati Dayton Road, officially making it "Wawa Day" in the Township. A second Wawa location in the Township is currently under construction on Route 4 and is anticipated to open in early 2026

The summer months brought the openings of two highly anticipated projects. In June, the newly constructed **MidPoint Library System Liberty Branch** opened on Yankee Road, offering modern spaces and expanded resources for residents of all ages. Summer concluded with the opening of **Liberty Collective**, a long-awaited destination that further enhances the Township's dining, entertainment and gathering options.
